I. Textbooks

   In this course I will be using the *New Oxford Annotated Bible* (NRSV), 4th edition. This is an excellent study Bible which provides a good introduction to each book of the Bible and also good study notes.

   Students are required to bring their Bible to class each week. Reading from another student’s Bible is not allowed. Students will be required to read the book of Hosea during the quarter.

   Students are also expected during the quarter to read and compare the book of Hosea in the NRSV with at least in another version (KJV, NIV, ESV, NLT, NASB, JB, GNB, NEB).

6. Selected articles available on Moodle.

II. Class Objectives

1. This course will help students gain an understanding of the content and message of the book of Hosea.

2. The course will provide students with guidelines for the interpretation of the biblical material in its literary, historical, and theological contexts.

3. The course will help students preach and teach from the book of Hosea to meet the needs of today’s society.

III. Class Requirements

1. Students are expected to attend all meetings of the course, unless hindered by circumstances beyond their control.

2. Each student will be allowed to miss 20% of the classes. Anyone who misses more than 2 classes will fail the course.

4. Students must write a one page (single space) summary of each chapter of Hosea as discussed in Dearman’s book, detailing the content of each chapter. In your review, emphasize one or two new things learned from reading what Dearman wrote. The reviews will be worth 1/3 of the grade. You must submit your summary by email on Sunday before 11:59 p.m.

VII. Seminary Policies

POLICIES FOR ALL MASTERS CLASSES

NOTE: All communications from the seminary will go to your seminary email account. Contact ithelpdesk@seminary.edu if you need help forwarding your seminary email address to your personal email address.

As a seminary community we hold integrity/hospitality as core values. Individuals are able to do their best work and thinking when their peers are fully present and engaged. We expect each person to both participate in class and carefully listen to others with the belief that everyone’s contribution is equally important. Therefore, the following policies have been established in order to provide clarity in regard to attendance expectations and relationships in the classroom.

Diploma/Certificate Student Course Requirements
The amount of work required of Diploma/Certificate students will be at the discretion of the professor. Students will be responsible for contacting the professor about what assignments are required.

Class Attendance Policy
It is expected that students will attend and participate in all class sessions. Failure to attend at least 80% of class sessions is grounds for automatic failure. A professor may set other attendance expectations. Students are always expected to communicate with a professor in advance if they will be absent. Attendance expectations are higher for online and intensive courses (see syllabus for specific requirements).

Class Tardiness Policy
The third time a student is late to the start of class, it will be counted as a class absence. It is also expected that students will return from a break by the time specified by the professor.
Late Work Policy
If a student cannot complete the work for a course by the due date listed on the syllabus, they must submit a “Request for a Grade of Incomplete” form to the Registrar by 4:30 of the last day of the term. The form must be signed by the instructor and Dean of Students. The professor may set stipulations and grade reductions. In the absence of a formal request form, the student will receive a grade based upon work completed by the last day of the term.

Turabian Format
All papers, including footnotes and bibliography, must be submitted in the correct format according to Kate L. Turabian, *A Manual for Writers of Research Papers, Theses, and Dissertations*, 8th ed., 2013.

Plagiarism
Plagiarism is the act of passing off as one’s own the words or ideas of someone else without providing proper acknowledgement or documentation. See the “Academic Honesty Policy” in the Seminary Catalog for more information on plagiarism and how to avoid it.

Electronic Format
Unless otherwise specified by the professor, all work submitted electronically must be in a Word document format (.doc, .docx).

Technology Use in the Classroom
Unless it is directly tied to note-taking or research for the class, students are expected to refrain from using cell phones, laptops, or other electronic devices during class.

Course Evaluation in Moodle
Students must complete an online course evaluation using the seminary Moodle system at [http://moodle.seminary.edu](http://moodle.seminary.edu) in order to receive a final grade for the course. The evaluation will be open for one week starting the last day of the term. If you need assistance connecting to Moodle or accessing the evaluation, please send an email to moodlehelp@seminary.edu.
